

## Job Posting - Medical Director

### **The Opportunity:**

The St. Albert and Sturgeon Primary Care Network (SASPCN) Board of Directors is seeking a 0.2 FTE Medical Director for a term position (ending March 31, 2024).

The position acts as a key link, liaison and change agent with PCN member physicians and plays a pivotal role in leading activities geared toward member engagement and participation. If you have a desire to represent our PCN at local and zonal tables, have keen interest to influence the direction of primary care, and want to help shape and provide clinical leadership to the programs and services offered through the Primary Care Network, then this is the opportunity for you!

**The Role:** The Medical Director will play a key leadership role internally and externally to the SASPCN. They will act as a key link between the PCN, its physician membership, Alberta Health Services' programs and stakeholders, and support both zone and provincial physician groups and committees.

The Medical Director reports directly to the SASPCN Board of Directors and is accountable to the Joint Governance Committee. They are an appointed, non-voting member of the SASPCN Board of Directors (i.e., ex officio) who works in a dyad relationship with the PCN's Executive Director to provide clinical leadership for PCN programming and primary care service delivery. The Medical Director will also play a significant role in reaching the PCN's longer term objective of supporting transformation of primary care in Alberta for the benefit of patients, providers and the broader health system.

**Qualifications:** To be eligible you must be licensed to practice medicine in Alberta and be a current member of the St. Albert and Sturgeon PCN. You must also be in good standing with the College of Physicians and Surgeons of Alberta and have a minimum of 5 years' experience in family practice, in an established or developing Patient's Medical Home. The ideal candidate will demonstrate strong leadership, interpersonal and strategic thinking skills and have a proven record of accomplishment as an innovative and creative leader, administrator, and team player in the healthcare sector.
