

POSITION: Dietitian (0.4 FTE; Temporary to February 28, 2025)

Description: Under the supervision of the Director, Central Operations, the Primary Care Dietitian will provide comprehensive nutrition services to patients of the St Albert and Sturgeon Primary Care Network. The Dietitian works with individual patients who are referred by SASPCN physicians to provide knowledge transfer and assist support behavior change. Group interventions and classes are provided to provide healthy lifestyle support, education, and clinical intervention, with the goal of improving health outcomes. The Dietitian is a member of an inter-professional health team.

Closes: 1 May 2024

QUALIFICATIONS:

Education and Certifications:

- Baccalaureate degree with a major in Foods and Nutrition
- Completion of an accredited Dietetic Internship
- Membership in good standing with the College of Dietitians of Alberta

Experience:

- Minimum five years of experience in Outpatient Nutrition and/or Chronic Disease Management is required.
- Experience in Primary Care/Community and Health Change Methodology is an asset
- Experience and competence in family-centred care; nutrition assessment, care coordination, and health behavior change coaching for infants/children/adolescents and families
- Experience with group appointments, education facilitation, program development and evaluation, is preferred

Personal Attributes:

- Actively integrates patient-and family-centered care principles into practice

- Is resourceful in establishing and maintaining partnerships teams and community providers
- Demonstrates proficiency in motivational interviewing, social-focused counselling and/or behaviour-change coaching
- Excels in independent practice in changing environments
- Expresses confidence, and competence as a facilitator, and educator
- Has excellent communication and interpersonal skills
- Demonstrates critical thinking, conflict resolution and problem-solving skills
- Has excellent time management and prioritization skills

APPLICATIONS:

To apply, please send your resume and cover letter to careers@saspcn.com. Documentation of immunization history, including a valid COVID-19 Vaccine, is a requirement of this position.
