

**POSITION: Part-time Primary Care Pharmacist (0.9 FTE)**

---

**Description:** Under the supervision of the Director of Medical Homes and Projects, the pharmacist works collaboratively with patients, primary care physicians, and the SASPCN inter-professional health team to provide comprehensive care for patients. This position supports primary care physicians within a medical home (clinic) by completing medication reviews, informing the complex care plan, and making recommendations and prescribing for patients with co-morbidities and chronic disease. This position will support two medical homes.

**Closes:** Friday, May 10, 2024

**QUALIFICATIONS:**

---

**Education and Certifications:**

- Bachelor's Degree in Pharmacy
- Currently licensed with the Alberta College of Pharmacists
- Additional Prescribing Authorization (APA) is required
- Must have own vehicle and valid driver's license

**Experience:**

- Demonstrated expertise/experience in providing clinical services, including prescribing and working to full scope of practice
- Experience in the following areas is preferred: Primary Care, Gerontology, Chronic Disease Management (CDE, CRE or other specialty training)

**Skills and Attributes:**

- Excellent time management and organizational skills
- Excellent interpersonal and communication skills
- Able and willing to be flexible and to engage in collaborative relationships with healthcare providers
- Ability to act responsibly and be accountable for actions
- Ability to work at or out of multiple sites
